

JT THORPE

Over a century of leadership and innovation.

ABOUT JT THORPE:

JT THORPE is the nation's leading provider of industrial **refractory, scaffolding, fireproofing, insulation, coatings, and general labor** services for capital projects, outages, turnarounds, maintenance, and new construction.

Established in 1906, we're the oldest & largest refractory company in the United States.

AWARD-WINNING SAFETY

- > **Platinum Safety Excellence Award**
NATIONAL INSULATION ASSOCIATION (NIA),
8 consecutive years
- > **Platinum Safety Award**
HIGHWIRE, 7 consecutive years
- > **RAVS PLUS Participant**
ISNETWORLD, 3 consecutive years
- > **Excellence in Safety Award**
COALITION FOR CONSTRUCTION SAFETY (CSS)
- > **Excellence in Safety Award**
ENGINEERING NEWS-RECORD (ENR)

INDUSTRIES SERVED

- > Power
- > Steel
- > Chemical
- > Mining & Metals
- > Cement & Lime
- > Pulp & Paper
- > LNG
- > Refining, Oil & Gas
- > Advanced Manufacturing
- > EV & Semiconductor
- > Space & Aerospace
- > Security & Defense

JT THORPE proudly offers a dedicated **LARGE PROJECTS DIVISION** to provide undivided attention to your capital project.

NATIONWIDE SERVICE

With nationwide branch offices and a **Manpower Database of 20,000+ skilled employees**, we offer quick deployment of highly trained craftspeople.

LOCATIONS:

WEST COAST

- > San Francisco, CA
- > Los Angeles, CA
- > Reno, NV

GULF COAST

- > Houston, TX
- > Baton Rouge, LA

SOUTHWEST

- > Phoenix, AZ
- > Tucson, AZ
- > Salt Lake City, UT
- > Denver, CO

PACIFIC NW

- > Portland, OR
- > Burlington, WA

MIDWEST

- > Chicago, IL
- > Maysville, KY
- > Gallipolis Ferry, OH
- > Proctorville, WV

EAST COAST

- > Pittsburgh, PA
- > Philadelphia, PA

INDUSTRY-EARNED CREDENTIALS

American Petroleum Institute

ADDITIONAL CERTIFICATIONS:

- > **ASME R Stamp**
- > **AMPP's QP1, QP3, QP10, PCS, CAS, C3, and FIRE INSP**
- > More **API-936 certified employees** than any other company **worldwide**
- > Designated a **Top Tier Applicator** for fireproofing

JTTHORPE

REFRACTORY

Services

- > Design & Engineering
- > Inspection & Installation
- > Anchor & Stud Welding
- > Acid-Resistant Linings
- > Precast Fabrication & Installation
- > Demolition & Descaling
- > Fiberglass-Reinforced Plastics
- > Carbon Fiber Wrap
- > FCCU, SRU, API Tanks, Transfer Lines, Pressure Vessels, etc.

Materials

- > Brick
- > Gunite
- > Castable
- > Ceramic Fiber
- > Burner Tile
- > Concrete

PAINTING & COATINGS

Services

- > Tank Linings, Fiberglass Linings
- > Resinous & Epoxy Flooring
- > Secondary Containment
- > Process Piping & Structural Steel
- > Corrosion Under Insulation (CUI)
- > Fire & Cryogenic Spill Protection
- > NACE-certified Inspections
- > Hydro-Blasting & Water-Jetting
- > Abrasive & Specialty Blasting
- > Lead Abatement

Materials

- > Plural Component Applications
- > Acid-Resistant Coatings
- > Temperature-Indicating Coatings
- > Thermal Insulating Coatings
- > High-Emissivity Coatings
- > Polyurethane & Polyurea Linings
- > Engineered Epoxy
- > Siloxane
- > Moisture-Cured Urethane
- > Organic & Inorganic Zinc-Rich

SCAFFOLDING

Services

- > Serving all Industrial Markets
- > Engineering & Design
- > Inventory Management
- > User Training (SAIA Accredited)
- > Long-Term Rentals
- > Full-Service Teams
- > Confined Space Entry

Materials

- > Stair Towers
- > Elevators & Hoists
- > Pedestrian Canopies
- > Netting & Shrink Wrap
- > Trash Chutes
- > Loading Platforms
- > System Scaffolding
- > Specialty Platforms for Sensitive Areas & Harsh Environments

INSULATION

Services

- > Design & Installation
- > Energy Audits
- > NIA-certified Inspections & Appraisals
- > Heat Tracing
- > Asbestos Abatement
- > Firestop & Fireproofing
- > Process Piping Insulation
- > Cryogenic to Extreme Heat

Materials

- > Turbine Blankets
- > Removable Covers
- > Sound Attenuation Curtains
- > Valve & Flange Insulation
- > Vessel Insulation
- > Calcium Silicate
- > Mineral Wool
- > Foam Glass
- > Aero Gel

FIREPROOFING

Services

- > Shop & Field Fireproofing
- > Assessment & Evaluation
- > Remediation, Maintenance, Repair
- > Stick & Modular Fireproofing
- > Galvanized, Black & Primed Steel
- > NACE-certified Technicians
- > Onsite Installation for Structural Steel, Vessel Skirts & Equipment

Materials

- > Intumescent
- > Lightweight Cementitious
- > Concrete
- > Board
- > Pool Fire, Jet Fire, Cellulosic Fire
- > Cryogenic Spill Protection

GENERAL LABOR

Services

- > Safety Attendants
- > Fire & Welding Watch
- > Confined Space Attendants
- > Trained Forklift Operators
- > Administrative Staff
- > Job Site Runners
- > Traffic Management
- > Office & Unit Housekeeping
- > Bottle Watch, Safety Training
- > Water & Ice Distribution
- > General Clean-Up
